Dear Academy Members:

Please help us in providing Scholarship funds for ten special graduate students and newly minted professionals to attend our Fall I&C in Baltimore. Thanks to the pledges of a few generous donors, and many worthy contributions from AAP members, including Sol Rosenberg's friends and family and Irma Lee Shepherd's friends and family, we are 85% funded at this point. We need help from AAP members to close the gap. By contributing \$25, \$50, \$100 or any amount— whether a one-time gift or a pledge for the next nine years – you will be helping to fulfill the future of our Academy. Three of last year's ten scholars recently were accepted as AAP members and attended summer workshop.

Just like last year, we will provide the scholars with an I&C immersion experience: a daily scholars' process group co-led by two Academy members, along with participation in workshop offerings and our community gatherings. We will offer each scholar \$1000, regardless of need, to defray the cost of registration (at student rates), hotel lodging, meals and travel. As we send information to graduate programs near and far, we also ask our AAP members (especially those of you near Washington, DC and Baltimore), to spread the word to students and beginning therapists in your midst. Scholarship application forms may be downloaded by visiting www.aapweb.com.

* Please return this form to the address above with your check made payable to the 'AAP Scholarship Fund'. You will receive an acknowledgement by mail once we receive your donation.
