

**The Southern Region of
The American Academy of Psychotherapists**

is proud to invite you to an evening salon

“Turning Lead Into Gold: Dancing With Transformation Through The Supervisory Experience”. Our presenter is Dr. Robert Rosenblatt, PhD., in private practice in Washington, D.C. He is a long time member of the American Academy of Psychotherapists and a presenter at AAP and other national conferences. He is committed to the philosophy and belief that the development of the person of the therapist is the primary ingredient in the transformational process for our clients. Come and participate in this enlivening program and the ensuing discussion.

We would also like to introduce you to the Academy and what we do.

Pot-luck supper - come hungry – please bring a dish to share.
