

# *The American Academy of Psychotherapists*

NC Triangle Chapter  
invites you to join us for the  
2018 Fall Salon  
October 7, 2018  
12:00 PM to 6:00 PM  
Pittsboro, NC  
“Sounds of Silence  
Working the Edges of the Unspoken”

In the psychotherapy relationship, as in all relationships, what remains unsaid is as potent as what is spoken. Understanding the complex personal and cultural forces behind a client's reluctance to speak freely is an essential component of the psychotherapy process.

Since its founding in 1954 by pioneers such as Carl Rogers, Albert Ellis and Carl Whitaker, the American Academy of Psychotherapists has been committed to understanding and supporting the whole person of the psychotherapist. We are a multi-disciplinary group committed to the art and science of psychotherapy. We value the therapist-client relationship as fundamental to the psychotherapy process, and are dedicated to developing ourselves in relationship as authentic human beings. We see this as foundational to healing in therapeutic relationships.

Our mission is to invigorate the psychotherapist's quest for growth and excellence through authentic interpersonal engagement.

In anticipation of the 63rd AAP Annual Institute and Conference join us in our exploration of the unspoken. We will start with a brief “meet and greet” potluck. A “fish bowl” demonstration of a process group will follow. We will then break into small experiential process groups led by Triangle AAP members. The afternoon will end as we return together for a large group closing experience.

We invite you to bring a dish of “finger foods” for others to share. If you have attended an AAP event in the past and know of other local therapists who may be interested in attending this salon, please contact Catherine Clemmer at [catherineclemmer@yahoo.com](mailto:catherineclemmer@yahoo.com).

AAP NC Triangle Chapter Committee:

Catherine Clemmer & Jonas Horwitz (Co-chairs), David Donlon, Jonathan Farber, & Lauren Gardner
